

Stewart Island L O D G E

Stewart Island Lodge is a peaceful bed and breakfast nestled in native bush on Stewart Island. Located just five minutes walk from the village centre, the lodge is private and secluded with commanding views across Halfmoon Bay and Foveaux Strait.

The lodge has an extensive garden and its grounds are home to many native birds, including kaka (native parrots), which may be viewed from the terrace.

Guest rooms are all king-sized double or twin and open directly onto an expansive balcony with ocean views. All rooms have ensuite bathrooms with own bath.

In the evening, your hosts will join you in the guest lounge for a pre-dinner drink and a selection of appetisers. Restaurants are available in the village for evening dining. Each morning we serve a full breakfast including cooked and continental options.
