Walter Peak Guided Cycling

7 hrs 30 mins
Tour Duration

Explore Queenstown's majestic back country on a guided cycling adventure.

Once fitted out with a high quality mountain bike in Queenstown, you'll start the day with a spectacular cruise across Lake Wakatipu on board the historic TSS Earnslaw.

Disembarking at Walter Peak High Country Farm you'll join your guide and be driven by van along the magnificent shoreline of Lake Wakatipu to the rainforest fringed Mavora Lakes where several Lord of the Rings scenes were filmed.

Then cycle the quiet country road through beech forest and open tussock grasslands. Along the way enjoy stunning views of the Von River, surrounding mountains and snow-covered Mount Earnslaw at the head of Lake Wakatipu. Your experienced guide will keep you intrigued with stories and information and there are plenty of photo stop opportunities.

The surroundings are stunning, and while the trails are on public road, the area is very remote. A support vehicle means you can ride as little or as much as you want, driving over the uphill bits if that suits.

Stop for a picnic lunch at a musterer's hut and return to the Colonel's Homestead restaurant in time for a well-deserved afternoon tea.

Moderate level of fitness is required, 3 - 4 hours leisurely cycling (15 - 35km) with accompanying van transport if required. Suitable for all ages 10 years +
