

Walter Peak Electric Trail Bikes

QUEENSTOWN, NEW ZEALAND

HIGH VOLTAGE
fun in
spectacular
HIGH COUNTRY

 **3hrs 30mins duration**

Get a taste of the farmer's life on our guided Electric Trail Bike experience.

This unique and authentic farm experience is the perfect blend of old meets new. Begin with a cruise across Lake Wakatipu aboard the historic vintage steamship the TSS Earnslaw. At Walter Peak you'll meet your friendly local guide and get familiar with the New Zealand made electric trail bikes. A cross between a mountain bike and a motorbike, they're easy to ride and environmentally friendly. Powered by lithium batteries these bikes are silent allowing nature to do all the talking. Perfect for a sustainable high country farm adventure.

You'll ride through rolling farmland, across undulating tracks and high up into the hills. A picnic spot with picture perfect views will see you refuelled for the ride back to the homestead. There's time to explore the beautiful gardens or visit the gift shop before your return cruise back to Queenstown. Upgrade to include a Gourmet BBQ Lunch at the Colonel's Homestead Restaurant and stay a little longer.

- Small groups, six per guide
- Light refreshments included
- Return TSS Earnslaw cruise
