## GETTING TO Doubtful Sound

All our Doubtful Sound experiences start in Manapouri. You can drive there yourself or if you'd much rather relax, let us do the driving for you.

FROM QUEENSTOWN 3hrs to Manapouri

On board our coach, travel around Lake Wakatipu and through rolling farmland to Manapouri township. Our coach drivers will provide you with informative commentary along the way.

FROM TE ANAU 30mins to Manapouri

A smaller coach provides transfers to Manapouri for travellers joining our Doubtful Sound experiences.

Courtesy pick ups are available from most Queenstown and Te Anau accommodation.

### From Manapouri

Your Doubtful Sound experience begins with a cruise across the picturesque Lake Manapouri followed by a trip over New Zealand's most expensive road — the Wilmot Pass — before arriving in Deep Cove, Doubtful Sound.

*"Amazing and unique experience! Wow, this was one of those experiences you'll never get anywhere else. On our trip we saw a family of dolphins, seals, a penguin and a few different types of birds. The scenery is to die for. This was such a unique experience and I highly recommend it to anyone!!"*

*"Today I am more convinced than ever before that conservation is the real cornerstone of New Zealand's tourism industry."*

#### LES HUTCHINS, FOUNDER OF REAL JOURNEYS

The Leslie Hutchins Conservation Foundation was established in 1994 with this aim in mind. Every year we contribute a percentage of our Doubtful Sound sales to ensure this vital charity can support a number of conservation initiatives — everything from educational trips to native bird relocations.

# INTRODUCING Doubtful Sound

Immerse yourself in the vast and untouched wilderness...

Doubtful Sound is a beautiful fiord. Three times longer than Milford Sound, with twisting arms, it has a surface area ten times larger.

With its rugged peaks, verdant rainforest and twisting, hidden inlets, Doubtful Sound will take your breath away.

There's no direct road access, so the only way you can to get to Doubtful Sound is a cruise across Lake Manapouri and a coach trip over the Wilmot Pass. This isolation makes this fiord a very special place, a place only those in the know get to see.

If you'd like to experience the pristine beauty of Doubtful Sound for yourself, join us for a Wilderness Day Cruise. Better still, spend an unforgettable night on our Overnight Cruise, awarded the inaugural 100% Pure New Zealand Experience Award in recognition for its excellence in visitor experience and tourism sustainability.

Our coach connections from Queenstown or Te Anau make it easy to get to Manapouri, where all of our Doubtful Sound experiences begin.
